Dear Coaches and Players:

Welcome to Grand Junction and the Alpine Bank National Junior College World Series.

Gene Taylors Sporting Goods has been serving Western Colorado for over 50 years in the outdoor and recreational industry. And now, we are pleased to introduce Gene Taylors Sporting Goods newest addition to our store... The Cage.

The Cage... a “premier hitting facility” located inside Gene Taylors Sporting Goods. The Cage has an “Old School” feel with a relaxed and friendly indoor atmosphere. The Cage features 3 – 24’ wide Deluxe Batting Cages. 2 – Soft toss / tee areas and 2 Pitching Lanes with an elevated observation area located directly behind pitching mounds.

We invite your team to use our facility at no charge during your stay in Grand Junction. We feel that The Cage will serve as an excellent workout home for your hitters and pitchers in your quest for a National Championship.

Congratulations on your successful season and we hope to see you at The Cage...
 “Where Hitter’s Are Born”.
