

Coach,

First of all, congratulations are in store for you, your coaches, and your players. Playing in the JUCO World Series is something you'll never forget.

We have set up a Youth Clinic again this year and you or one of your coaches and two of your players are going to be the instructors. Your assignment is listed below. Also, time and location for the JUCO World Series Youth Clinic are listed.

Date: Thursday, May 27, 2010
Time: 5:00 P.M. – 7:00 P.M.
Place: Suplizio Field
Grand Junction, Colorado

Clinic Assignments:

- **Western: Catching**
- **Southwestern: Infield**
- **South Central: Infield**
- **Central: Infield**
- **Northern: Outfield**
- **East Central: Pitching**
- **Eastern: Base-running**
- **Southeastern: Outfield**
- **Gulf: Base-running**
- **Southern: Pitching**

As you can see, we have ten stations. The young people in attendance will spend five to six minutes at each station and will rotate until they are through all ten stations.

We would like for you or one of your coaches and two of your players to be at the site of the clinic no later than 4:45 P.M.

With your help, this JUCO World Series Youth Clinic will be a great success and we thank you for being a part of it.

Yours in Baseball,

Butch Miller
JUCO Committee
